Company Founders' NO-RISK, 100% Money Back **GUARANTEE**

B-52 was specifically built for growers just like you, who have very specific demands and expectations from your hydroponics needs. When you use B-52 it must perform flawlessly for you. You'll find it will mix easily and quickly into your reservoir and deliver the goods you're looking for.

What's more... B-52 will work every time for you using any and all hydroponics, sphagnum, coco coir and other growing media. B-52 has been developed for use with any and all hydroponics and continuous liquid feed growing systems (aeroponic, drip irrigation and emitters, NFT, flood & drain). We guarantee it!

And when you use B-52 you'll never have to risk even one penny because it's 100% guaranteed, as always if for any reason you're not absolutely delighted we'll refund all your money back it's that simple. Bring the unused portion along with your original purchase receipt back to your place of purchase within six months, and you get your money back.

As always, dedicated to your gardening success.

B Vitamin Supplement

This ever-popular formula contains Vitamin B1, kelp and other ingredients so plants grow well and produce more - even in the demanding conditions of your high-intensity garden. B-52 can promote the growth of roots, therefore allowing for an increased uptake of both the primary nutrients and micronutrients that your plants need. Professional gardeners use B-52 to strengthen and feed clones, seedlings, vegetative plants and blooming plants. This proprietary blend provides unique, powerful 100% guaranteed nutritional and vitamin support so your plants are always winners.

B-52 has been specially designed for use with all hydroponics, sphagnum, coco coir and other growing media.

B-52 has been developed for use with any and all hydroponics and continuous liquid feed growing systems (aeroponic, drip irrigation and emitters, NFT, flood & drain).
