

Liquid CarboLoad is derived from both simple and complex carbohydrates. Advanced Nutrients has recreated the original formula therefore simplifying an already easy to use hydro-friendly product. This product will work great with hard water or well water source. CarboLoad works well with the beneficial microbes in Piranha and Tarantula, to make them even more effective. World-renowned CarboLoad will give you results, or your money back.

Directions:

Use 1 mL per Litre (1/4 tsp per Quart).
