# **VOODOO JUICE**

### **Get To The Root Of The Matter**

In so many gardens, the roots are forgotten, hidden away underground, neglected, uncared for workhorses. And yet, your plants' roots are responsible for intaking almost everything your plants need. Ask not what your roots can do for you, but what can you do for your roots. Because when you give respect to your roots, you see the results at harvest time.

VooDoo Juice has been specially designed for use with all hydroponics, sphagnum, coco coir and other growing media.

VooDoo Juice has been developed for use with any and all hydroponics and continuous liquid feed growing systems (aeroponic, drip irrigation, NFT, flood & drain, drip emitters).
